

SEMINOLE COUNTY HIGH SCHOOL STUDENT ATTENDANCE POLICY

LHHS ATTENDANCE POLICY – Teachers are required to call home and make contact with parents/guardians if after **3 days** a student is absent. Each attempt to contact or actual contact made should be documented.

When students are testing, and they are marked absent, it will be corrected within 24 to 48 hours. A teacher's attendance means that student is not in class.

Regular attendance provides students with the opportunities necessary to meet course goals and objectives. Many integral activities, including class discussions, laboratory experiments, field trips, and guest speakers, cannot be simulated or replicated with bookwork! Therefore, with the goal of promoting student success, Seminole County Public Schools has adopted a uniform High School Attendance Policy. It is our intent to encourage honest, accurate, and consistent adherence to this policy by all of our student, parents, teachers, and administrators.

I. COMPULSORY ATTENDANCE REQUIREMENT

Pursuant to Florida Statute 232.01, a high school student enrolled in Seminole County Public Schools who is under the age of 16 is required to attend school regularly during the entire term. Pursuant to Florida Statute 230.22(2), the School Board of Seminole County, Florida, has adopted a Compulsory Attendance Policy, File JEA, which states, "A student is expected to attend all school sessions unless excused by a proper school authority."

II. CLASS ATTENDANCE DEFINED

- a. Tardiness: Students are expected to arrive to class on time. For any class period, a student is tardy up to and including 10 minutes after the start of class. Any time a student arrives to class after 10 minutes, the student is considered absent.
- b. Check out: If a student is checked out for any reason and misses more than 10 minutes of a class they will be considered absent.

III. EXCUSED ABSENCE DOCUMENTATION

Parent notes are no longer required when a student is absent 9 or less days. Under this policy, any absences less than 10 days require no documentation from the parent and **there is no penalty to the student for 9 or fewer absences**. Should your student accumulate more than 9 absences in any class, he/she can reduce the number of **UNEXCUSED** absences with proper documentation of circumstances as described below.

In requesting an absence to be **EXCUSED**, the student must provide the school's attendance office with documentation indicating that one of the following has occurred if he/she wishes that absence(s) to be excused:

1. Medical treatment by a licensed physician*
2. Observation of a religious holiday

3. Law enforcement order or court subpoena
4. Death of a family member
5. Natural Disaster
6. Traffic accident that directly involved the student

***NOTE:** It is understood that on every occasion of sickness, a student will not require medical attention by a licensed health care professional. However, parent notes for short term, non-chronic illnesses will not be accepted. LHHS reserves the right to re-evaluate all excused absences when absences become excessive. Absences without written official documentation listing one of the above reasons will be considered unexcused.

IV. UNEXCUSED ABSENCES

Absence from class for any reason other than those enumerated above shall be considered unexcused. Additionally, students absent from class for more than 10 minutes are considered absent for the entire period.

V. GUIDELINES FOR MAKE-UP WORK

Students are responsible for making arrangements with the teacher for make-up work.

- a. A student who is absent is required to make up all coursework missed, regardless of whether the absence is excused or unexcused. It is the student's responsibility to obtain assignments upon returning to class immediately following an absence. At a minimum, the student shall have no less than the number of calendar days, plus one, he/she was absent to complete and hand in make-up work for credit. Specific arrangements must be made with the student's teacher(s).
- b. Unless exempted from this requirement by the Principal or his/her designee, in consultation with the teacher, assignments given by the teacher two or more weeks (ten school days) in advance of a student's absence will be due by the assigned date. An assignment turned in after the due date will be graded by the teacher. When the quantitative/qualitative grade has been determined by the teacher, it may be reduced by no more than one letter grade for every day the assignment was turned in late.
- c. The time and place for a make-up examination(s) shall be scheduled by the teacher(s).
- d. The teacher's decision on make-up schedules shall be final.

VI. ATTENDANCE AND DENIAL OF CREDIT

Students who accumulate more than nine (9) unexcused absences in a class during a semester may be denied credit. Loss of credit may interfere with the students' ability to graduate on time. In order to reinstate credit a student must complete make-up time (hour for hour) which will be held on Wednesdays during Regular or Extended Detention. Make-up time may not be done with individual teachers. Participating in school activities or attending to school business is considered in attendance. The activity is considered a field trip and the only type of exempt absence. Suspension for disciplinary reasons will not be considered an unexcused absence.

Credit will be **DENIED** in any course in which the student is absent a total of **20 or more** days. This includes **ALL** absences regardless of EXCUSED or UNEXCUSED status.

Lake Howell High School initiates the following communication for absences:
