August 2018

As a proud Alum of Lake Howell High School, Class of 1990, I could not be more proud and honored to be the principal of our school. It is truly a privilege that each and every day I shake my head in disbelief that I stand in the same leadership position of the great principals of our school: Richard Evans, Don Smith, Shaune Storch, and Frank Casillo.

When I speak about Lake Howell High School and its Alumni, I am reminded that we have a huge alumni base in numbers and that we have a huge group of passionate, loyal and committed Silverhawk supporters! When I speak one-on-one with LHHS Alumni, I often hear several phrases repeatedly:

- "I'm proud to have attended Lake Howell High School."
- "I'm a loyal Silverhawk, and I love Lake Howell."
- "My parents went here, my older brother/sister went here; and I am proud to have graduated from here too."
- "I had the best four years of my life when I attended Lake Howell High School!"

Our joint love of this school and devout loyalty in being a Silverhawk are the reasons that the Lake Howell High School Alumni continues to grow.

So now we embark on a brand new venture – creating the first ever Silverhawk Alumni Association. The vision is to create an organization that will work hard to provide programs and services that enhance your life, and to create opportunities for you to collaborate with us to advance the school together. I ask that you please consider joining the association, so that we can continue to create a Lake Howell High School legacy that will continue not only today, but for all of those that will follow us into the future! I would greatly appreciate your support and welcome feedback on how we can make your membership more valuable to you.

You can play a crucial role in helping us translate our incredible alumni loyalty into the beginnings of a LHHS – Silverhawk Alumni Association membership. Our organization exists to unite alumni and magnify their impact at the school and in the community in which we serve; in return, we ask the following:

- Join the Silverhawk Alumni Association, if you are not already a member.
- If you have friends or relatives who are also LHHS Alumni, urge them to join the Association.
- Ask at least one other LHHS alum or supporter to join. Just think – if everyone did this, our membership would truly stand to symbolize who we are as a school and what we stand for in our community and across the state!

By joining the Alumni Association, you are providing a significant boost to LHHS's reputation as THE premier high school in Seminole County Public Schools and across our great state. Alumni engagement is one of several measures of quality used to indicate who we are as an educational institution; your membership helps increase the prestige of the high school, which in turn increases the amazing reputation that we already have, of which we are so proud. Joining the Silverhawk Alumni Association helps LHHS – and you.

Respectfully,

Michael C. Kotkin  
Principal
