General Information: Virtual School is offered in several formats: Seminole County Virtual School (SCVS) is designed for students who are looking for a virtual course during their regular (seven period) day, as an additional course after school, or as a summer class. If a student wants a virtual course as part of their regular school day, SCVS courses can be completed from home with a shortened schedule (students come later to HHS or leave early) or these courses may be taken at Hagerty in a computer lab. SCVS teachers are employees of Seminole County Public Schools (SCPS). Students registering with SCVS will be given priority for in-lab seats, due to limited seat availability placement in lab is NOT guaranteed.

Timeline: **Plan accordingly!** Semester 1: 16-18 weeks Semester 2: 16-18 weeks
Accelerated Semester 1: 12 weeks Accelerated Semester 2: 12 weeks

For any course with an EOC, it will be the student’s responsibility to speak with the testing coordinator (Camille Cassara: Media Center) to ensure they are added to the list of students who will test at Hagerty. Grade Forgiveness is only eligible for letter grades of “D” or “F”.
