Registration

Summer school is designed for remediation only (except Driver Ed) for the purpose of retaking courses in which the student earned a semester grade of D or F. Courses will be offered via PLATO on-line learning in a computer lab (PLATO application required) and virtual school (Virtual School application required). Only Algebra 1, Algebra 1 Honors and ESOL will meet face-to-face. Algebra 1 and Algebra 1 Honors may also be taken as a PLATO or virtual course. PLATO and virtual school applications are available in the guidance office.

Virtual courses will be offered for both remediation and acceleration through SCVS.

Student applications must be returned to the school they currently attend by Friday April 20, 2018.

Late registration will be held at each summer school site on May 31, 2018 for Semester 1 and June 14, 2018 for Semester 2. During late registration students will be placed in classes on a *space available* basis. Students registering after the first day of each semester will need principal approval.

Transition Program

Each high school will host a transition program on their campus. Transportation will be provided for Transition students at all sites. Bus stop to be established by the SCPS Transportation Department.

Student Attendance

Student attendance is expected in order to receive credits in any and all summer school courses. The principal has the authority to withdraw a student from summer school due to non or poor attendance.

Discipline

In order to complete the required instructional time, discipline problems will not be tolerated during summer school. Students with discipline problems will be subject to possible dismissal from summer school. Students are expected to adhere to the Student Conduct and Discipline Code rules and regulations during summer school.
