

AP Art History Summer 2019 Assignment

Welcome to AP Art history! I am Ms. Jackson and I am looking forward to sharing the fascinating world of art history with you! In order to prepare you for the first day of school, please complete the following assignment. It is due on the first day of school.

Part 1

Our curriculum begins with prehistoric objects and concludes with objects created within the last 10 years. Part A and Part B will give you a better understanding of timelines. For this part of the assignment you will read two Khan Academy articles. Part C will introduce you to formal analysis. To complete this part of the assignment, you will watch the linked videos and answer the questions.

Part 2

Together we will learn 250 works of art! Please review the included list of 250. In yellow highlight the works of art that seem familiar to you, even if it's just the name or the time period. In blue highlighter, highlight the works of art that you are interested to know more about. Please turn this list in on the first day of school.

A note about the sketchbook

You may choose any style book you want. We will take all of our notes in this book. I recommend one with a high page count. Keep in mind we have 250 images. This book will be unique to you. If you want it to be lined pages or blank pages that is up to you. Keep in mind this book will be how YOU learn.
