

Lake Howell High School School Advisory Committee Grant Request

The Lake Howell School Advisory Council has a limited budget to assist in the implementation of the School Improvement Plan. Your requests and suggestions for the use of these funds are important to the council. Please complete this application to request funds that will meet our educational needs. SAC Funding has been reduced by half this year so consider the amount (\$250 - \$2000) of your grant request carefully. Please also consider applying for a Foundation Grant to meet your needs. SAC Grant Requests must be turned into Ms. Norton, no later than Friday, October 21, 2011.

School Improvement Goal/PLC SMART Goal:

Person/Group requesting funds _____

Please describe educational purpose of funds requested:

Estimated Cost _____
(Please attach description of item with cost included from website if possible)

Estimated number of students to benefit. _____

Additional Information: If you are trying to obtain funds for this grant request from any other source, please indicate this.

The recipient of this grant acknowledges that any funds not specifically spent meeting the request herein, shall be returned to the School Advisory Council.
