

PTSA Update * PTSA Update * PTSA Update

Attention Parents and Students!

Friday, December 2 is the date for our "Holiday Treats for Teachers". If you would like to help the PTSA spread a little holiday cheer to our staff and teachers, simply bring some treats and drop them off at school in the morning before 10:30 a.m. of December 2. We'd like you to bring approximately 4-5 dozen (or more) cookies, brownies, bars, fudge or other individual serving treats as there are about 130 staff and teachers. If you can't make that many whatever you can bring is greatly appreciated. Don't bake? Then store bought is fine as well. The teachers and staff will visit the mailroom during their lunch hour to sample the goodies and take a plate of the treats home with them. If you plan on bringing cookies, please e-mail me (Sally Harmon) at saeharmo@aol.com. Please include your name and name of your treats when you drop them off. Thanks for your help!
